

DDI Demand Driven Planner Professional DDPP™ “PMI Selfstudy & Exam Package”

The **DDP Selfstudy & Exam Package** is recommended to customers who want to prepare for the **Demand Driven Planner Professional (DDPP™)** exam as a self-learner. The anticipated **preparation time** is about **40-50 hours**, depending on the learner’s pre-knowledge and learning style. An **English B1 level (CEFR)** is required. The study time is mostly spent in the **DDP Online Learning system** (see information below) and by reading the recommended literature at the DDI website <https://www.demanddriveninstitute.com/demand-driven-planner-professional>. The DDPP™ designation is earned by successfully completing the **3-hour exam*** consisting of **50 multiple choice questions**. The exam is open book, web-based and can be taken as proctored online exam from home or office. A **free retake** is provided in case of failure.

Self-study Options:

1. The **DDPP™ Selfstudy Package** includes **one-year access to the DDP Online Learning System (995€)** which includes:
